FULL HOUSE: It was a family reunion of sorts Wednesday night when **Eric Villency** hosted a dinner in honor of **Elise Overland** and Threesfour, recipients of his Villency Emerging Fashion Program's support. The designers packed the top floor of Bobo with members of their respective clans, including **Hope Atherton, Ann Dexter-Jones, Justin Giunta, Aimee Mullins,**

Tom Sachs and Elise Overland.

Arden Wohl, Zani Gugelmann and Sarah Wynter. "I don't think I'm thin enough for this party," quipped one guest as he tried to squeeze his way past Threesfour's **Adi** (sporting an Icelandic sweater that was a gift from **Björk**). "I can't find my date," said **Chiara Clemente**, scanning the crowd for **Poppy de Villeneuve**. After a lengthy cocktail hour, guests sat down to a candle-lit meal of beet salad and short ribs. **Tom Sachs** toasted Overland ("She's a master of her own universe") in the back room, while revelers table-hopped in the front.
