## FASHION SCOOPS

---

**FEELING DRIVEN:** The fashion crowd gave new meaning to the term “bottleneck” Wednesday night when they flooded the top floor of Bobo restaurant for a dinner hosted by Volkswagen of America and aSmallWorld, honoring **Andy Spade, Maria Cornejo, Antony Todd** and **Alice Temperley**. Guests like **Kiera Chaplin, Byrdie Bell, Julia Restoin-Roitfeld, Cynthia Rowley, Ann Dexter-Jones** and **Poppy Delevigne** crowded the tiny bar, as waiters circled asking people to take their seats. **Eric Villency**, who held a similarly raucous meal there in January, was happy to relinquish his host duties. “This will one will be more fun,” he said, between sips of vodka. **Björk** hung out with the Threesfour clan during cocktails, departing as the first course salads and ahi tunas were being served. And **Veronica Webb** stopped by in time for dessert and a chat with Todd and Spade.
